On the occasion of K.T.S.P. Mandal's Founder Late Sahebraoji Buttepatil Memorial Day, the Department of Zoology organized a Health Awareness Camp on 3rd January 2026 at 10:00 a.m.

The main objective of the camp was to create awareness about health and to help students know their blood group and blood pressure status. During the camp, blood group detection and blood pressure check-up were conducted successfully.

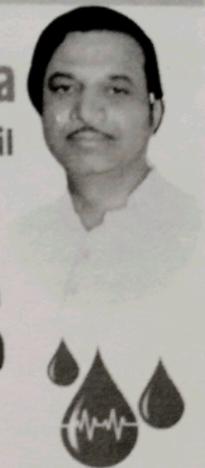

A total of 150 students participated in this camp, and their blood groups were checked. A special highlight of the camp was that S.Y.B.Sc students actively participated and performed blood group testing under proper guidance of Prof. P. P. Shindekar and also provided information and awareness about different blood groups, their importance in medical

emergencies, and health care. This student-led awareness activity was a key highlight of the camp.

Photo 2: Hon'ble Rajmalatai Buttepatil visited the camp and guided the girls.

An attractive "Selfie with Your Blood Group" stand was arranged, where students enthusiastically clicked photographs and enjoyed the activity, making the program more interactive and memorable. At the end of the camp, feedback was collected from all participants, including students and staff, to evaluate the effectiveness of the program.

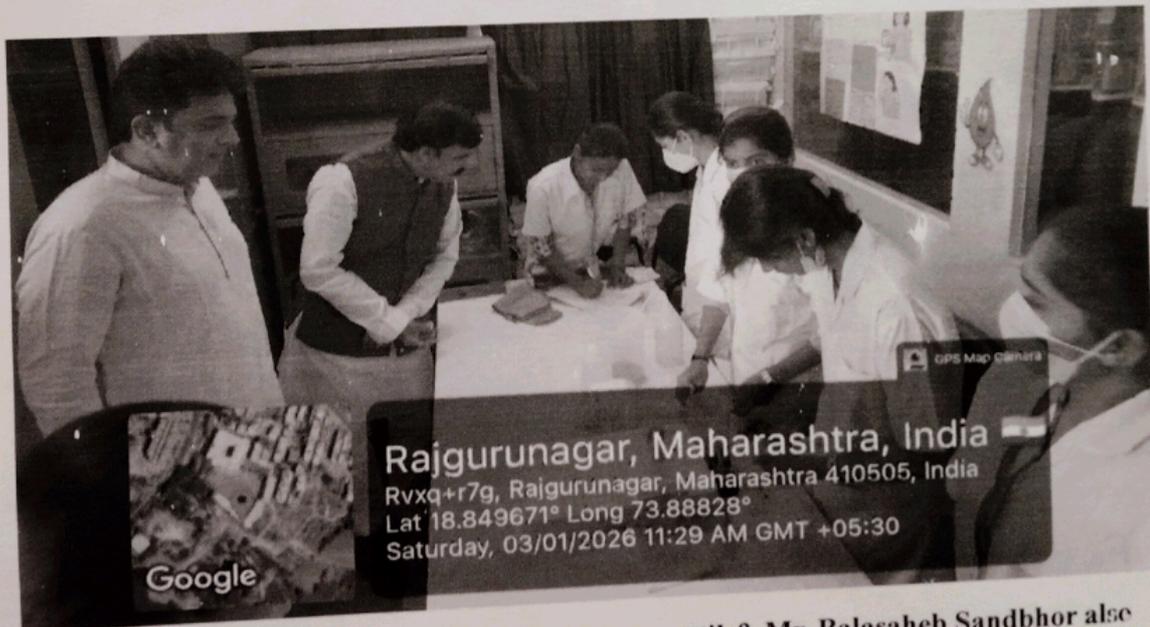

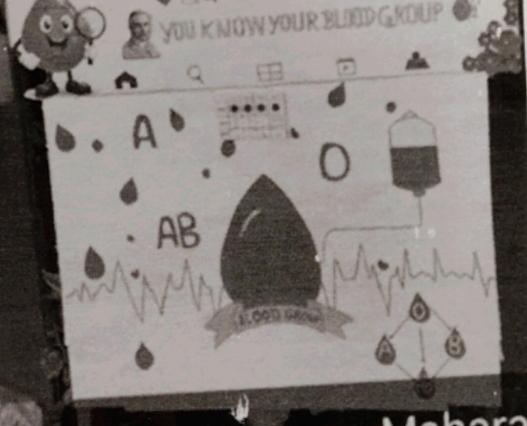

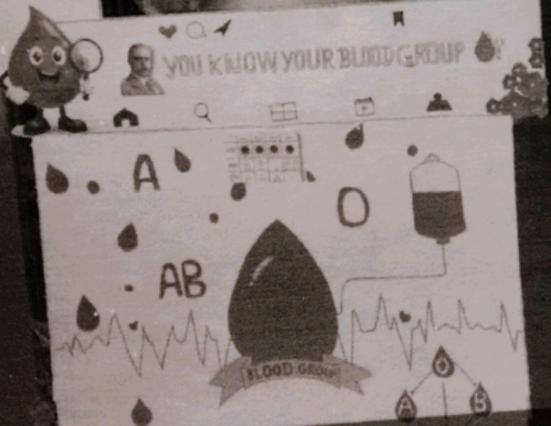

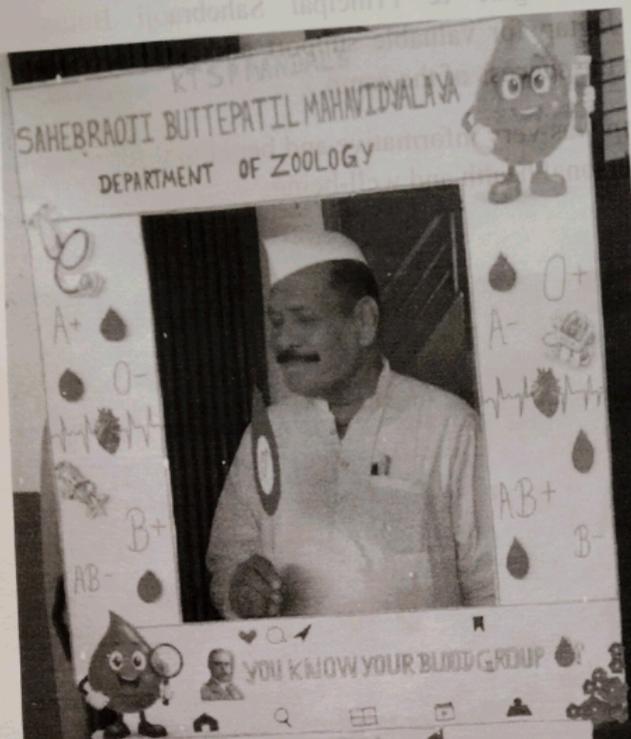

Photo 3: Hon'ble Adv. Devendraji Buttepatil & Mr. Balasaheb Sandbhor also had their blood group checked.
