Report on Seminars, Group discussion & Class Test

In our field of education students at centre and their holistic development is the main objective. For that we use different student centric methods. The one of student centric method is Seminars and Practice Examinations, Class test. I conducted Practice Exam, class test as well as Seminars of F. Y. B. Sc and S. Y. B. Sc Students.

The two class tests of ZOO 101T Genetics and medical zoology conducted – conducted. Total 34 students had given the class test.

The Seminars of Indian knowledge system IKS and Genetics and medical zoology conducted. Total 38 students had given the seminars of IKS and Genetics and medical zoology.

The Seminars of Modern zoological techniques and instrumentation of second year B.Sc. zoology conducted. Total 17 students had given the seminars Modern zoological techniques and instrumentation.
