Subject: Request for Permission to Arrange Academic Visit to Department of Zoology.

Respected Sir Madam,

On behalf of K.T.S. P Mandal's Sahebraoji Buttepatil Mahavidyalaya, Rajgurunagar, I would like to request permission to arrange an educational visit to the Department of Zoology for our F.Y. B. Sc students.

We are planning the visit on 28th February 2025 with a group of 30 students accompanied by 2 staff members. The purpose of this visit is to provide our students with practical exposure to laboratory facilities and academic resources, which will greatly enhance their understanding of the subject.

We assure you that all students will maintain proper discipline and follow the rules and regulations of your department during the visit.

Kindly grant us permission for the same and inform us about the suitable time and any formalities that need to be completed from our side.

We look forward to your positive response.

Thanking you.

Yours sincerely,

Dr. S. M. Jagtap

4.	Time	07:00 am to 9:00 pm
5.	Duration of the programme	One Day
6.	Expense	15500/-
7.	Source of Financial Assistance	Sahebraoji Buttepatil Mahavidyalaya, Rajgurunagar
8.	Name of resource person	-
9.	Name of coordinator	Prof. P. P. Shindekar
10.	Number of participants	32
11.	Copy of the programme	-
12.	Curricular/Co-Curricular/Extra-Curricular	Academic & CO-Curricular
13.	Activity belongs to Which Criteria of NAAC	2 nd

On the occasion of National Science Day, the K.T.S.P. Mandals Sahebraoji Buttepatil Mahavidyalaya, Department of Zoology, organized a one-day educational visit on 28th February 2026 to Savitribai Phule Pune University, Pune. The purpose of this visit was to provide students with academic exposure, enhance their scientific knowledge, and give them an opportunity to explore zoological resources and research facilities. A total of 32 students participated in this educational visit along with the faculty member Prof. P. P. Shindekar, who guided and accompanied the students throughout the tour.

The journey began at 7:00 AM from the college gate. The first stop of the visit was Shreemant Dagdusheth Halwai Ganapati Temple, where students had a short visit. After that, the group visited Okayama Friendship Garden, where students enjoyed observing the well-maintained landscape and natural surroundings. After completing these visits, the group had breakfast and then proceeded towards Savitribai Phule Pune University, reaching the campus at around 12:30 PM.

At the Department of Zoology, students visited the Zoology Museum, where they observed various preserved specimens, models, and displays related to animal diversity and zoological studies. Students had a courtesy meeting with the Head of the Department of Zoology, where they briefly interacted and during which students gained valuable insights about higher education, research opportunities, and career prospects in the field of zoology. A science exhibition was also arranged in the department where students explored different scientific models and projects prepared by university students.

The participants also took part in several zoology-based games and activities, including a quiz competition, dominant and recessive gene identification activity, and paws matching activity, which made the learning experience interactive and enjoyable. These activities helped students better understand genetic concepts and animal classification in a practical manner.

After visiting the Zoology Department, the students also visited the main building of Savitribai Phule Pune University and the Department of Botany to explore the botanical facilities and environment. Later, they visited IUCAA (Inter-University Centre for Astronomy and Astrophysics), where an exhibition related to astronomy and space science was displayed. Students observed various models, instruments, and informative displays related to space research and astronomy.

Later in the day, the group visited the historical Aga Khan Palace, an important monument associated with India's freedom movement. The final stop of the tour was the Sai Baba Temple at Dighi, where students spent some time before beginning the return journey. After completing the day's activities, the group safely returned home.

Overall, the visit was educational, informative, and enjoyable for the students. It provided them with valuable exposure to scientific learning, museum collections, research environments, and interactive academic activities. The visit successfully fulfilled its objective of enhancing students' interest and understanding in the field of zoology and science.
