

6.3.2

The college has well-defined policies for providing financial support to the teachers. The college is not aided by the government and major source of revenue for the college is through admission fees of the students that is why college has made the policy about it as mentioned bellow.

1. Support for Workshop/Conference Attendance:

- Delegated Leave (DL) will be sanctioned for attending workshops/conferences.

2. Financial Support Options:

- Staff attending workshops/conferences can choose either Travel Allowance/Daily Allowance (TA/DA) or coverage of Registration Fees, depending on their preference.

3. Use of College Equipment:

- Faculty are permitted to utilize college equipment such as computers, printers, and internet facilities for paper publication and presentation purposes.

4. Access to Library Resources:

- Faculty members have access to college library facilities, including reference books and e-library resources.

These decisions, approved during the CDC meeting, outline the supportive measures and resources available to faculty for their professional development and academic activities.
